Dated:- 26.12.2016

**Subject:- Notice of Strike vide letter dated 03.12.2016**

This is in reference to various issues raised vide letter referred above and matter under conciliation with RLC Central.

As also intimated vide this office letter dated 03.12.2016, the issue of merger of 50% DA effectively amounting to 78.2% was put-up to the MTNL Board in the Board meeting held on 08.12.2016 and the board decided as follows:-

*"after due deliberation that Board agreed for recommending to the government for extending the benefit of merger of 50% DA effectively amounting to 78.2%, after getting the financial support from Government(DOT) in view of the financial constraint of MTNL as per the proposal sent by CMD to DoT vide letter no MTNL/CO/IRW/21(82)/2015 dated 04.03.2016 to avoid industrial unrest in the organization."*

The same has been communicated to DoT for consideration and further action. MTNL management along with the Union/Association will pursue the matter with DOT.

As the management has also along kept an open door policy, most of the burning issues are being taken up with administrative ministry, these matters can be discussed and resolved across the table to the extent possible considering the financial position of the company.

Your kind attention is also drawn to the fact that such Trade Union action causes serious dislocation of services lowering the image of MTNL and our valuable customers are unnecessarily made to suffer.

In view of the above, it is requested to withdraw the proposed Trade Union Action Programme from 28.12.2016 considering the decision of the MTNL Board.
