The Executives who were officiating at the time of placement in the up-graded scale of E-5, in the cadre of DE in local officiating arrangement may be reverted to their substantive post from the date of issue of IDA upgradation orders and they will be deputed to look after the work of DE with prospective effect with no drop in emoluments due to the implementation of IDA scale up-gradation orders

On up-gradation to the IDA scale, the pay of the officers will be fixed as per rules. If the officer is on leave on the due date of up-gradation, it will take effect from the date, the officer assumes charge.

Before fixation of pay in the up-graded scale, the concerned Accounts Officer will verify afresh the date or which the IDA scale was last fixed as given above and the date of completion of 5 years of continuous service of this officer from his respective service books. In case of any anomaly, the fixation in the higher scale will not be given effect and case may be referred to this office immediately for further necessary action.

Further IDA scale granted to any Executive by virtue of any local officiating arrangement will not count for the purpose of IDA pay scale up-gradation.

Consequent to up-gradation of IDA pay scale of the Executives, there will be no change in substantive status designation, duties and responsibilities to the Executives unless any change is ordered in any specific context.

In case any disciplinary/vigilance case is pending against the officers mentioned above or where in respect of officers any punishment like stoppage of increment/punishment etc. is current, the fact should be reported to this office and the officer should not be given IDA up-gradation.

Every Executive whose pay is up-graded to next higher IDA pay scale will have to compulsorily undergo Two Weeks of training for being eligible for drawl of SECOND increment in the up-graded IDA Scale i.e., the training is to be complete within a period of two years from the date of up-gradation to the higher scale. The Executive who fails to successfully undergo the prescribed two weeks training will not be eligible for consideration of next IDA scale up-gradation even if he/she is due for up-gradation otherwise. The detailed instructions with regard to training will be issued later on.
