Subject: Poor handling of MTNL Medical Insurance Policy by M/s Bajaj Allianz General Insurance Co ltd

Sir

At the very outset, I have to convey our indignation on the decision of MTNL management to choose private company over PSU for health insurance scheme. In the today's scenario where Govt Policies are not supporting Public Sector, PSUs are required to support each other by giving the priority in their business decisions to give more and more business to each other and negotiate for win-win situation.

We, also, express our discontent on being ignored while deciding terms and conditions of the medical policy. We have time and again requested MTNL management to take Executive Association's views also in such a important matter which has direct impact on the health issues of each and every employee/ officer and family members.

Sir, we have received complaints from various officers that there are many places in Delhi & Mumbai where old good hospitals paneled with old TPAs are not paneled with Bajaj Allianz and only low category hospitals are in its panel, not only this Bajaj Allianz is having only 2/3 representatives in the name of TPA who are rarely available during the hour of need, so employees are facing difficulty with Bajaj allianze. Therefore, MTNL management is requested to look into this matter and take appropriate action to fix these problems of the employees/officers at the earliest.

With regards

Sincerely yours

(V K Tomar)
