Subject: Request to hold old DPC s with old bench marks.

Sir,

Kindly recall our discussion regarding the cases of executives who were dropped in the DPCs of financial upgradation and functional promotions because of implementation of new bench marks from the retrospective date i.e old CRs with new bench marks. CRs of following officers could not be upgraded by reporting/reviewing officers because of many doubts and fears. These officers are very much frustrated and pained because if their old CRs are not considered with old bench marks, they will lose their legitimate right of upgradation/promotion and will suffer huge financial loss in rest of their service. Therefore, we request your good self to consider following cases with old bench marks.
