Subject: Representation of executives against injustice and favouritism in TES Gr B seniority inspite of hon'ble P&H high court judgement to stream line the seniority.

Sir,

Because of wrong implementation of court judgment to a small group of officers, a large no of officers who were senior to them as per seniority criteria upheld by Hon'ble CAT/High court & Hon'ble Supreme Court, were made junior to their very junior officers. Thousands of officers had represented to DOT/MTNL/BSNL against this injustice but went unheard. Therefore, these officers also approached the court of law to seek justice and hon'ble Punjab & Haryana High court has given judgement to redress their grievance, but MTNL management is not implementing this judgement and trying to deny the justice in one way or other, reason best known to the management. This approach of the MTNL management is demoralising and creating heart burning amongst the hundreds of executives. This growing discontentment may adversely affect the efficiency of executives and in turn the company. Today our priority is to salvage the company from bad condition, which is possible only with dedicated and focused executives. But this type of injustice and discrimination with executives will adversely affect the efforts to turn around the company.

Therefore, I request your good self to intervene in the matter and get the seniority revised as per hon'ble P&H court decision. I am also forwarding the detailed representation of some officers for your kind consideration and needful action.

with warm regards.

Yours' Sincerely,

(V.K. Tomar)
