Respected Sir

We salute your fatherly statesmanship in super heading the unprecedented war against fast spreading COVID19. This situation requires extraordinary actions, for which all Indian have full faith and hopes in you.

We applaud Govt's decision of providing Health & Accidental Insurance Cover of Rs 50 Lakh per health worker fighting COVID-19. Right steps to empathize with today's solders of the nation who are fighting with an invisible enemy. We also salute them for their devotion and sacrifice.

In furtherance to above, may I have your kind attention to show similar empathy towards other staff of Govt, PFI's, PSU's etc who are actively engaged in providing respective essential services and shouldering the nation's responsibility in their own areas. They have to commute to public places outside their homes and taking risk to themselves and families.

Therefore your honor is requested to widen the scope of scheme to include all those workers in other fields providing essential services and involved in this war against COVID 19.

With warm regards

Yours Sincerely

(V K Tomar)
