Sub: **Caution Notice for non-payment of salaries to MTNL employees.**

Sir,

Whereas it is well known that MTNL is very irregular in and delaying payment of salaries the employees for last few months. The issue was heightened this time when salaries were delayed by 18 days. This has frightened the employees for their livelihood and other stakeholders for continuance of services and business, so prices of shares has also fallen historically low.

The deteriorating perception about MTNL is very dangerous for a business concern and needs highest attention of the management. To set it right, it is very essential that salaries of employees must be paid timely by last day of month. This time also salary has not been paid till date and there is no clarity about this.

In view of above, it is put to notice that if salaries are not paid before 10th of July, this forum shall start agitation as per below program for managerial ineffectiveness and dereliction.
